

Map pouch

This map pouch is a perfect thing for the rider who doesn't want the cluttering of a tank bag or for the short-trip-rider using saddlebags. With four strong vacuum cups this pouch adapts to any contour of the tank and can be stored in the smallest compartments for easy accessibility. Size: 22 x 31 cm (8.66 x 12.20 inches)

The vacuum cups are very strong and it is no problem to ride over 200 km/h (125 mph)!

Tested with R1100RT, R1100S and R1150GS. Only limited suitability for the R1200GS!
