

Tail bag / Rear seat bag

Designed to perfectly fit on the rack or rear seat and with the feature of expansion to allow even more capacity! There is space for more than just the rain gear here - expands from 8 litres up to 16 litres. Water-repellent material, reflective strips, attractive grey and black colour scheme. The chord helps you to carry the bag.

Dimensions: approx. 29 x 25 x 10/21 cm

Volume: approx. 8/16 L

Also referred to as rack bag, tail rack bag, tailbag.
