

## Transmission oil

**10038325**

**31012**

These high-performance gear oils have been developed for use in lubricating highly loaded gearboxes and final drives (angle gears) on motorcycles under all climatic conditions. They exceed the specifications and classifications required by BMW Motorrad and are suitable for year-round use.

We recommend: SAE 75W-140

**Art-Nr.: 10038325**

**21,90 EUR**

Castrol Gear / cardan oil

SAE 75W-140 1 Litre

**Art-Nr.: 31012**

**19,90 EUR**

Agip/Eni Gear oil

SAE 80W-90 1 Litre
