

Transmission oil

10038325

31012

These high-performance gear oils have been developed for use in lubricating highly loaded gearboxes and final drives (angle gears) on motorcycles under all climatic conditions. They exceed the specifications and classifications required by BMW Motorrad and are suitable for year-round use.

We recommend: SAE 75W-140

Art-Nr.: 10038325

21,90 EUR

Castrol Gear / cardan oil

SAE 75W-140 1 Litre

Art-Nr.: 31012

19,90 EUR

Agip/Eni Gear oil
