

## Crash bars

Our crash bars are made of high-quality steel and are especially designed for your R1200R 2005-2014. The crash bars are designed to be very robust and provide an equal distribution of the forces to ensure that you and your bike are protected in the best possible way. Crash bars offer a very good protection, but they can reduce the lean angle.

Also referred to as engine bars, highway bars.
