

LED Fairing Turning Signals

You simply glue these LED Fairing Turning Signals in the turning signal space in front of the F800GT & S1000RR's fairing with a 3M foil. The indicators have an e-mark and are road legal.

Shipment: 2x LED Fairing Turning Signals, 2x 3M foil

Note: The turn signal labeled "L" is for left side and the turn signal labeled "R" is for right side.
