Under Seat Bag Set

Our under seat bag set is completely manufactured of water-repellent material and has water-repellent zippers. You mount the bags with two high-quality Velcro straps and one quick fastener on the backside of your frame. These bags fit exactly to the R1250GS frame under the rider seat. The bags offer lots of space where you can store small things, tools and much more.

Sold as a pair (for left and right).

Art-Nr.: 705053 90,00 EUR
