

Universal Plug (ZIG/DIN)

Thanks to its red cap, this plug fits into cigarette lighter sockets (e.g. ZA 01-04). If you remove the red cap, the plug fits into the on-board DIN socket (BMW motorcycle socket).

- Suitable for DIN and cigarette lighter sockets
- Screwable and solder connection
- With 8A fuse

Dimensions:

Length 85 mm, Width 25 mm, Height 25 mm
