Bulb Main Headlights H3 12V/55W

Bulb 12V 55W PK22s H3

Attention: Please do not touch the glass bulb with bare hands when installing it. This powerful Halogen bulb warms up stronger than conventional bulbs - skin fat and dirt impede the heat emission and can therefore damage the bulb. Always touch the bulb with a clean and fat-free towel when mounting it. For a longer lifespan of the bulbs on your vehicle you can use an electronic protector which prevents voltage peaks from damaging bike components.
