

Top case mounting

The mounting system for a Givi Monokey topcases can consist of a mounting plate or a mounting system. But you simply add this Topcasemounting for your bike into the shopping basket and you'll receive everything you need to install the topcase. Not possible in combination with brake light kit and/or remote control. Not compatible with the original side case carrier.

Install Instruction

Also referred to as top case rack.

Installation only possible without an original BMW luggage rack!

If your motorcycle has an original BMW luggage rack, the top case holder SRA5137 can be used.
