

GPR Slip On Exhaust Furore Nero Italia

GPR Furore Nero Italia BMW R 1200 RT 2010-2013 Slip On Silencer Exhaust

- With EC approval / test number, approved all across Europe (no entry in vehicle papers required)
- Removable dB reduction device/ dB absorber
- Stainless steel holding clamps with rubber pad
- All parts needed for assembly are included in the delivery content
- Similar to image
- Weight per silencer: approximately 1,75 kg
- Oval black aluminum silencer

With European homologation.

An authorised dB reduction device is included in the delivery content. It is attached in the end-cap of the Furore model by means of a retaining ring.

Moreover, depending on the motorcycle type, a funnel-shaped component in addition to the above dB absorber is included, depending on the model in question. This component is fixed in the silencer inlet, in order to reduce the exhaust noise to the level permitted.

Warning: If the exhaust system is used when participating in public traffic without the dB reduction devices, the authorised approval is no longer valid!

Art-Nr.: BMW.89.FUNE
