

## Alternator wiring kit

**190300872**

Alternator wiring kit for all BMW R 80, R 100 since 09/1978 until 09/1980

The original alternator cables of the R2V models have often been in use for several decades. During maintenance work on the alternator, the poor condition of the alternator cables is often noticed. This complete repair kit contains all the necessary cables for a complete replacement and offers top quality at a fraction of the original price.

Compare original BMW part no. 61 11 1 243 872 / 12 32 1 357 639 / 12 32 1 243 178 / 16 12 1 243 224.

Attention: Once the parts have been installed, they cannot be returned!
