

Bellypan

MSL.009.S121N.K

MSR.010.S121N.K

Made of high-quality carbon fibre. The two parts replace the original engine spoiler using its holder and mounting points. If these are not available on your motorcycle, the holders must be ordered separately from your BMW dealer.

These items are not compatible with the long engine spoiler VEU.011.S121N.K!
