

## Touring windshield

For long distance rides the Touring series was developed to minimize the windblast against the rider. These screens raise the windblast for several centimeters, allowing the rider to keep a more comfortable position riding the motorcycle.

Also referred to as windshield, windscreen, shield, screen.

With homologation!

410 x 365 mm

Please verify if your motorcycle has an original "Sport" windshield or an original "Touring" windshield (see picture 7)!

Items 3768W, 3768H and 3768F fit vehicles with an original "Sport" windshield.

Items 3769W, 3769H and 3769F fit vehicles with an original "Touring" windshield.
