

## Quick-release coupling 90°

**7674765**

This 90° quick coupling is used in different positions depending on the motorcycle model, e.g. for connecting the fuel tank or the fuel pump or for connecting fuel lines.

13537674765 quick coupling, black, 90 degrees, hose connection 9mm, for petrol hose 8mm.

The hose connection is always slightly larger than the inner diameter of the petrol hose so that the hose sits firmly on the connection.
