## Waterproof luggage bag

With this practical and flexible luggage bag you are prepared for any motorcycle adventure! The bag has a volume of 30 or 60 liters and is waterproof (IPX5) thanks to its robust roll closure and thermo-sealed seams. It is equipped with several sturdy hooks / eyelets and can be quickly, easily and securely attached to almost any motorcycle using the two included elastic packing straps. Thanks to the carrying handles and the adjustable shoulder strap, the luggage bag is easy to transport.
